

VALENTINO 1300 SINGLE-SIDED CAMPFIRE INDOOR GAS FIREPLACE

Balanced Flue System

BALANCED FLUE SYSTEM

Valentino is a gas fireplace (NG or LPG) with a balanced flue system that utilizes closed combustion and does not affect the air in the room. The coaxial pipe both supplies the fireplace with fresh air and extracts any combustion products outside.

BALANCED
FLUE SYSTEM

ADVANCED FEATURES

The **thermostat** maintains a desired room temperature
Modular Ignition reduces water vapour condensation
Eco Flow regulates flame height over time

CONVENIENT REMOTE CONTROL

Valentino offers convenient control options: the included handheld remote, an optional Smart Home System controller or a mobile app on your smartphone.

ENCLOSED BEHIND GLASS

Valentino is enclosed with ceramic glass. Optionally you can choose panels with antireflective coating that reduce reflections making the flame look even more vibrant.

SAFETY FEATURES

- Flame detecting sensor
- Child lock

TWO-SECTION LINEAR BURNER

The modular linear burner introduces a classic fire design to your interior. You can choose from standard and optional decorative accessories – ceramic logs, white pebbles, black diamond embers and black glass gravel.
